Table of Contents

- * CFP: ICPP 2008 Submission Deadline to Feb. 25
- * 2008 IEEE TCDP Outstanding Achievements Award: Call for Nomination

Call for Papers:

The 37th International Conference on Parallel Processing (ICPP'08)
September 8-12, 2008, Portland, Oregon, USA,

<http://www.cse.ohio-state.edu/~icpp2008>

Sponsored by The International Association for Computers and Communications (IACC) in cooperation with Portland State University, USA and The Ohio State University, USA. Full paper submission is extended to February 25, 2008 (final submission deadline).

Dear Colleague:

The 37th International Conference on Parallel Processing (ICPP'08) Program Committee would like to remind you that the deadline to contribute to the refereed papers is quickly approaching. Full paper submission is extended to February 25, 2008.

The International Conference on Parallel Processing provides a forum for engineers and scientists in academia, industry and government to present their latest research findings in any aspects of parallel and distributed computing. Topics of interest include, but are not limited to:

- * Architecture
- * Network-Based / Grid Computing
- * Algorithms and Applications
- * Peer-to-Peer Technologies
- * Cluster Computing
- * Performance Evaluation
- * Compilers and Languages
- * Software Systems and Tools
- * OS / Resource Management
- * Wireless and Mobile Computing

For more information and submission guidelines, please see
<http://www.cse.ohio-state.edu/~icpp2008>.

Important Dates:

- * Paper Submission Deadline: February 25, 2008 (final submission deadline)
- * Author Notification: May 12, 2008

* Final Manuscript Due: June 2008

Organizing Committee:

* General Chair: Wu-chi Feng, Portland State Univ., USA

* Program Chair: Yuanyuan Yang, SUNY Stony Brook, USA

* Vice Chairs:

- > Architecture: Angelos Bilas, FORTH and Univ. of Crete, Greece
- > Algorithms and Applications: A. Yavuz Oruc, Univ. of Maryland, USA
- > Cluster Computing: Olav Lysne, Univ. of Oslo, Norway
- > Compilers and Languages: Rudolf Eigenmann, Purdue Univ., USA
- > OS / Resource Management: Wu-chun Feng, Virginia Tech, USA
- > Network-Based / Grid Computing: Qianping Gu, Simon Fraser Univ., Canada
- > Peer-to-Peer Technologies: Jiannong Cao, Hong Kong Polytechnic Univ.,
China
- > Performance Evaluation: Azzedine Boukerche, Univ. of Ottawa, Canada
- > Software Systems and Tools: Xin Yuan, Florida State Univ., USA
- > Wireless & Mobile Computing: Samir Das, SUNY Stony Brook, USA

The 37th International Conference on Parallel Processing (ICPP'08) will be held in Hilton Portland and Executive Tower, Portland, Oregon, USA on September 8-12, 2008.

We look forward to receiving your submissions!

On behalf of the ICPP '08 Program Committee,

Yuanyuan Yang, SUNY Stony Brook, USA

2008 IEEE TCDP Outstanding Achievements Award: Call for Nomination

TCDP has established TCDP Annual Distinguished Achievement Awards in two tracks: technical and service.

Nomination can suggest any individual (except award committee members) who has made a major contribution to the distributed computing field. The award committee will select one or two winners in June based on the guideline.

For nomination, please send the following materials to TCDP chair Jie Wu (jie@cse.fau.edu) by March 17, 2008:

(1) A one-page nomination form (download from <http://tab.computer.org/tcdp/awards.html>)

(2) An up-to-date vita of each nominee.

Nominations received after March 17, 2008 will be considered for the

following year.

Join TCDP

The TCDP welcomes IEEE Computer Society members with an interest in distributed computing. There are many ways to participate in TCDP activities.

Please contact Dr. Jie Wu, TCDP chair, at jie@cse.fau.edu for more information.
